As part of our Nordic expansion, the **Copenhagen office** is looking for talented and ambitious candidates as

Management Consultants

to join our industry practices, e.g. **Life sciences, Banking, Technology, Consumer goods and Energy.**

What you will do:

- Support projects conceptually and analytically
- Develop and present insights, results and recommendations to clients
- Work on international project assignments to drive measurable topline impact
- Interact with clients and colleagues worldwide

What you offer:

- Master's degree, new graduates or up to three years of consulting/industry experience
- Strong analytical, quantitative and problem-solving mindset
- Excellent interpersonal skills with a proactive attitude and ability to work independently
- Fluency in English and one Scandinavian language

What we offer:

- Unique international roles and challenges
- Outstanding personal and professional development opportunities
- Young, dynamic and international team
- Corporate culture guided by our entrepreneurial spirit, openness and honesty

Please submit your application including **cover letter** (specifying interest in joining Simon-Kucher & Partners), **curriculum vitae, academic transcripts** (university and high school) and **reference letters** (where applicable) via our **application portal**.
